

Have we been told porkies by the PM?

In April 2008, Helen Southworth, MP for Warrington South, was promised new carriages for the Liverpool to Norwich line. Still no sign...

Petition

Downing Street has agreed to host a petition on our behalf. All we need is 200 signatures and those who have signed will get a formal reply. Visit www.TrainSardine.org

Join the passenger fight back

The TrainSardine.org campaign is run by passengers who are sick of the poor service offered by East Midlands Trains on the troubled Liverpool to Norwich line. We are sick of the excuses given to explain the shortage of carriages and overcrowding at rush hour. We are frustrated with the inability of anyone to sort the problem, poor communication, and lack of respect. We intend to discover who is behind the chaos and give them the recognition they deserve.
